

To all our valued partners and attendees,

Over the last few weeks, we have been monitoring and reacting to government guidance with regards to COVID-19.

The safety and welfare of our delegates, sponsors, speakers and exhibition staff is paramount and therefore, we have made the decision to postpone Everything in Sport: Women Edition and will now take place on **24 – 25 Nov 2021**.

Rest assured that all delegate and sponsorship agreements will remain in-tact and will be transferred to the new revised date for the event.

We at EIS are proud of the community of speakers, exhibitors and delegates that have registered to take part in this event so far. Some of the most high-profile members of our industry and some of the most innovative companies are involved. We are therefore excited by the opportunity of working with you to further build on this great audience base in the near future.

We would like to thank you in advance for your patience, understanding and support over a such a challenging period and we look forward to welcoming you all to Everything in Sport: Women Edition in the near future. If you have any questions, do not hesitate to contact us on cs@everythinginsport.com.

Kind regards

Team EIS
